CHAPTER 5
Planning and Zoning

ARTICLE 2
PLANNING AND ZONING COMMISSION

18-5-201. Authority vested in board of county commissioners; inapplicability of chapter to incorporated cities and towns and mineral resources.

To promote the public health, safety, morals and general welfare of the county, each board of county commissioners may regulate and restrict the location and use of buildings and structures and the use, condition of use or occupancy of lands for residence, recreation, agriculture, industry, commerce, public use and other purposes in the unincorporated area of the county. However, nothing in W.S. 18-5-201 through 18-5-207 shall be construed to contravene any zoning authority of any incorporated city or town and no zoning resolution or plan shall prevent any use or occupancy reasonably necessary to the extraction or production of the mineral resources in or under any lands subject thereto.

18-5-202. Planning and zoning commission; composition; residency requirements, terms and removal of members; vacancies; rules; record; meetings to be public; secretary; preparation and amendments; purpose; certifications and hearing; amendments.

(a) Each board of county commissioners may by resolution create and establish a planning and zoning commission. The commission shall be composed of five (5) members appointed by the board at least three (3) of whom shall reside in the unincorporated area of the county, provided that this provision shall not affect the membership composition of any existing commission. The terms of the members appointed to the first planning and zoning commission shall be of such length and so arranged that the terms of one (1) member will expire each year, and thereafter each member shall be appointed for a term of three (3) years. Any member of the commission may be removed for cause other than politics or religion and after public hearing by the board of county commissioners. If a vacancy occurs in the commission the board of county commissioners shall fill the vacancy by appointment for the unexpired term. The planning and
zoning commission shall organize within thirty (30) days after its establishment, shall adopt rules for the transaction of its business and keep a record of its actions and determinations. Three (3) members shall constitute a quorum for the transaction of business. All meetings, records and accounts of the commission shall be public. The county clerk shall serve as secretary to the commission.

(b) The planning and zoning commission may prepare and amend a comprehensive plan including zoning for promoting the public health, safety, morals and general welfare of the unincorporated areas of the county, and certify the plan to the board of county commissioners. Before certifying its plan or amendments thereto to the board the commission shall hold at least one (1) public hearing. Notice of the time and place of hearing shall be given by one (1) publication in a newspaper of general circulation in the county at least thirty (30) days before the date of the hearing. Any person may petition the planning and zoning commission to amend any zoning plan adopted under the provisions of W.S. 18-5-201 through 18-5-207.

(c) The planning and zoning commission shall prepare recommendations to effectuate the planning and zoning purposes and certify its recommendations to the board of county commissioners. Before adopting the recommendations the board shall hold at least one (1) public hearing. Notice of the time and place of hearing shall be given by one (1) publication in a newspaper of general circulation in the county at least fourteen (14) days before the date of the hearing. After public hearing has been held, the board shall vote upon the adoption of the planning or zoning recommendation. No planning or zoning recommendation shall be adopted unless a majority of the board votes in favor thereof.

18-5-203. Certificate required to locate buildings or use land within zoning resolution; issuance and denial; appeal upon denial.

It is unlawful to locate, erect, construct, reconstruct, enlarge, change, maintain or use any building or use any land within any area included in a zoning resolution without first obtaining a zoning certificate from the board of county commissioners and no zoning certificate shall be issued unless the plans for the proposed building, structure or use fully comply with the zoning regulations then in effect. The board of county commissioners shall act promptly upon any application filed with it and shall grant certificates when the proposed
construction or use complies with the requirements of the zoning resolution. If it denies the application, the board shall specify the reasons for such denial. The decision of the board of county commissioners may be reviewed by the district court and by the supreme court upon appeal in the same manner as provided in W.S. 15-1-609, for review of decisions of boards of adjustment.

18-5-204. Violation of W.S. 18-5-202(c); continuing violation.

No person shall locate, erect, construct, reconstruct, enlarge, change, maintain or use any building or use any land in violation of a resolution or amendment adopted by any board of county commissioners under W.S. 18-5-202(c). Each day's continuation of such violation is a separate offense.

18-5-205. Enforcement of zoning resolution by injunction, mandamus or abatement; appeal.

Any zoning resolution passed by the board pursuant to W.S. 18-5-202(b) and (c) is enforceable in addition to other remedies provided by law by injunction, mandamus or abatement.

18-5-206. Penalty for violation of W.S. 18-5-201 through 18-5-204.

Whoever violates any provision of W.S. 18-5-201 through 18-5-204 shall be fined not more than seven hundred fifty dollars ($750.00) for each offense.

18-5-207. Continuation of existing uses; effect of alteration or addition; future use after discontinuation of nonconforming use.

A zoning resolution enacted under the provisions of W.S. 18-5-201 through 18-5-206 shall not prohibit the continuance of the use of any land, building or structure for the purpose for which the land, building or structure is used at the time the resolution is adopted and it is not necessary to secure any certificate permitting such continuance. However the alteration or addition to any existing building or structure for the purpose of effecting any change in use may be regulated or prohibited by zoning resolution. If a nonconforming use is discontinued any future use of such land, building or structure shall be in conformity with the provisions of the resolution
regulating uses in the area in which the land, building or structure is located.

18-5-208. Coordination of planning efforts with federal agencies.

The board of county commissioners of a county which has officially adopted a comprehensive plan pursuant to W.S. 18-5-202(b) may participate in efforts to coordinate the plan with federal regional forest or other resource management plans as provided in the Federal Land Policy and Management Act of 1976 and federal regulations adopted pursuant to that act, including, but not limited to, Title 36, of the Code of Federal Regulations, part 219.7 and Title 43, of the Code of Federal Regulations, part 1610.3.
